6 Agile Contracts Primer necessarily trust the expectations of the anticipated outcome and is mandated to deal with most anticipated outcomesâ€”good and bad. The third value of the Agile Manifesto is customer collaboration over contract negotiation. Natu-rally, when first reading this, a contract lawyer will take note, react, and perhaps think, â€œThatâ€™s nice,

agile contracts primer

Agile software development is an approach to software development under which requirements and solutions evolve through the collaborative effort of self-organizing and cross-functional teams and their customer(s)/end user(s). It advocates adaptive planning, evolutionary development, early delivery, and continual improvement, and it encourages rapid and flexible response to change.

Agile software development - Wikipedia

We are uncovering better ways of developing software by doing it and helping others do it. These are our values and principles.
