

american revolution world history pdf

The American Revolution was a colonial revolt that took place between 1765 and 1783. The American Patriots in the Thirteen Colonies won independence from Great Britain, becoming the United States of America. They defeated the British in the American Revolutionary War (1775–1783) in alliance with France and others.. Members of American colonial society argued the position of "no taxation ...

African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curriculum and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...

Deborah Sampson was a woman who disguised herself as a man and fought as a soldier in the Continental Army during the American Revolution.. She was one of only a small number of women who fought in the Revolutionary War and was later awarded a pension for her military service.

Deborah Sampson: Woman Warrior of the American Revolution

With the French Revolution began the institutionalization of secularized individualism in both social life and politics; individualism and rationality found expression in parliamentary government and written constitutionalism. Obviously, the English and American revolutions of 1688 and 1776 prefigure these changes, but it was the more universalist French
