The book titled was written in Greek, presumably as it was aimed at non-Jews, and Greek was the leading written language in Europe at that time. Exodus is the Latinised form of the title; and the Latin text has been translated many times into more-or-less modern English, but the title 'Exodus' was retained. The word is composite, meaning something like 'way out' in a neutral sense.

Truth about Jews: the Case Against Judaism – Chronological

A more dubious reason is that the author is writing about Bat Durston, that is, they are being lazy by writing a space western. Westerns are set in the wild west, the corresponding location in science fiction is an interstellar colony.
