

forty million dollar slaves pdf

The Confederate States of America had an agrarian-based economy that relied heavily on slave-worked plantations for the production of cotton for export to Europe and the northern US states. If ranked as an independent nation, it would have been the fourth richest country of the world in 1860. When the Union blockaded its ports in summer 1861, exports of cotton fell 95 percent and the South had ...

Slavery in the United States was the legal institution of human chattel enslavement, primarily of Africans and African Americans, that existed in the United States of America in the 18th and 19th centuries. Slavery had been practiced in British America from early colonial days, and was legal in all Thirteen Colonies at the time of the Declaration of Independence in 1776.

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
