Graduate Attributes - South African Qualifications Authority

Recent shifts in education and labour market policy have resulted in universities being placed under increasing pressure to produce employable graduates. However, contention exists regarding exactly what constitutes employability and which graduate attributes are required to foster employability in tertiary students. This paper argues that in the context of a rapidly changing information ...

The graduate attributes we've overlooked: enhancing

Welcome to Psychology at CMU. With nearly 30 award-winning faculty and almost 150 people in total, we are a vibrant community whose research continues our Department's 100 year tradition of studying the deeper mechanisms and processes underlying human behavior and its neural bases. Innovation is in our DNA: our department has been at the center of helping create new scientific initiatives in ...
