[PDF] Greening Brazil Environmental Activism In State And

Greening Brazil concludes that the tendency to anticipate continual and upward progress over time does not do justice to the complexities inherent in environmental political processes. Similarly, measuring outcomes in a conventional linear fashion flattens the substance of how politics shape policy.

Greening Brazil: Environmental Activism in State and Society By Kathryn Hochstetler and Margaret Keck Gary Bryner Article first published online: 16 APR 2008

Greening Brazil: Environmental Activism in State and

Greening Brazil challenges the claim that environmentalism came to Brazil from abroad. Two political scientists, Kathryn Hochstetler and Margaret E. Keck, retell the story of environmentalism in Brazil from the inside out, analyzing the extensive efforts within the country to save its natural environment, and the interplay of those efforts with transnational environmentalism.
