Our 2-part series on moving from Windows to Linux concludes with ideas on how to install Linux without an Internet connection, how to restore the files you backed up, and what applications you get out of the box, and what you will likely want to install after you have your Linux setup.

Going Linux - Shownotes

Enabling everything HAM radio on Centos Linux! This document is my journey into Linux-assisted HAM radio with Centos. This covers many different topics along my personal discovery which started with AX.25 packet radio, then into HF digital modes, and most recently SDR and D*star technologies!
