Arete (Greek: ἀρετή), in its basic sense, means "excellence of any kind". The term may also mean "moral virtue". In its earliest appearance in Greek, this notion of excellence was ultimately bound up with the notion of the fulfillment of purpose or function: the act of living up to one's full potential.. The term from Homeric times onwards is not gender specific.

Arete - Wikipedia

I have had exceptional opportunities to learn from some of the world's greatest performers. I would like to share some of their wisdom in this section on free articles and books.
