

on animation the directors pdf

An animation director is the director in charge of all aspects of the animation process during the production of an animated film or an animated segment for a live action film or television.. Responsibilities. This may include directing the storyboard, character design, background animation, and other aspects of animation. Some animated film productions may split the duties between an animation ...

Animation director - Wikipedia

Animation is a method in which pictures are manipulated to appear as moving images. In traditional animation, images are drawn or painted by hand on transparent celluloid sheets to be photographed and exhibited on film. Today most animations are made with computer-generated imagery (CGI). Computer animation can be very detailed 3D animation, while 2D computer animation can be used for stylistic ...
