Student Learning: Attitudes, Engagement and Strategies

Higher education in Alberta trains students in various academic and vocational specializations. Generally, youth attend school from kindergarten until grade twelve, at which time they have the option to continue into post secondary study. Students are required to meet the individual entrance requirements for programs offered at the institution of their choice.

Mastery approaches to mathematics and the new national

Learners are expected to have achieved GCSE Mathematics at grade 4 or above (Grade C) before working towards this qualification. It is intended for use in a wide range of settings, including learners working towards the new City & Guilds TechBac® programme. Because Level 3 Core Maths is designed to be a two-year programme, the next assessment opportunity will be in the summer of 2018.
